ProVia Storm Door Tax Credit Certification

This manufacturer's certification statement is for product purchased and installed on or after **June 1, 2009 through December 31, 2010**.

This manufacturer's certification statement provides the documentation needed to receive an energy tax credit for ProVia Storm Doors as defined by IRS Notice IR-2009-44 Section 1142 (dated 04-22-09) and the *American Recovery and Reinvestment Act of 2009*. How to Qualify for the 2009 - 2010 Tax Credit:

1. Purchase and install qualifying products beginning June 1, 2009 through December 31, 2010. Tax credit is for cost of product only - it does not include installation costs. Tax credit is for taxpayer's principal residence only.
2. Must have this Manufacturer's Certification Statement to qualify - it is a signed statement from us certifying that the product or component listed qualifies for 2009-2010 tax credits. Taxpayer must keep a copy of this certification statement and purchase receipts for their records, but do not have to submit a copy with their tax return.
3. Tax credit is 30% of product cost or a maximum amount of \$1,500.00 in 2009 and 2010.
4. Improvements made in 2009 will be claimed on your 2009 taxes (filed by April 15, 2010) using the IRS Tax Form 5695 (2009 version).

Please Note: Due to ongoing product changes and revisions of industry standards and requirements, this information will be updated periodically to reflect those revisions.
